

# ARway Corp hails Apple on the release of its Vision Pro Headset

NEWS RELEASE BY ARWAY

Vancouver | June 06, 2023 01:34 PM Eastern Daylight Time

ARway chief product officer Shadnam Khan joined Steve Darling from Proactive to share news the company has given its congratulations to Apple on the release of its Apple Vision Pro Headset which the company believes will be a massive boost for the augmented reality industry.

Khan telling Proactive ARway currently provides software solutions for products like Magic Leap 2 and HoloLens 2, and it intends to distribute its indoor navigation and 3D technology with the Apple ecosystem.

Khan emphasized that AR is already part of the Apple ecosystem, with their apps and technology optimized for iOS devices. ARWAY.ai aims to be the gateway for software development in spatial computing, enabling app makers to transform their 2D apps into immersive experiences on Apple's headsets.
