

AuKing Mining to start drilling Tanzanian uranium assets following raise

NEWS RELEASE BY AUKING MINING LTD

Melbourne, Victoria | March 16, 2023 02:00 PM Eastern Daylight Time

AuKing Mining Ltd (ASX:AKN) CEO Paul Williams tells Proactive the company has raised a further \$2,126,000 at a \$0.10 issue price - a premium of 69% to its closing share price on March 14, 2023. The money comes via the completion of its second tranche (T2 placement) capital raising, following last year's \$7.1 million placement. The funds will be used to hit the ground running at the recently acquired Manyoni Uranium Project in Tanzania.
