Levels and Values

There are many symbols in Big Bass Bonanza, including card numbers ranging from 10, J, Q, K, and A. The card numbers pay a maximum of 10 times your bet. While selecting other symbols, for example, the fish pays 20 times your bet, while the treasure box and Dragonfly pay up to 50 times your bet.

Fish treasure box, Dragonfly, Fishing Gear, Fisherman, Floating Dart, and Green fish are the major symbols to look out for. The highest paying symbols are the fishing gear which pays 100 times your bet, and the dart, which pays up to 200 times your bet amount.

The fisherman is the wild symbol that substitutes other symbols, whilst the fish on the hook is the scatter. Gamers/Players liked the free spins feature as it kept triggering wilds as they played. The excitement for players is when the wilds triggered more multipliers and features; this added to the experience and fun element for the gamers. Unfortunately, however, it took an age to collect the wilds.

Symbols

The game's reels feature (1) TROPES. It means they offer everything associated with fishing, in the levels and values section mentioned above.

Other features can be initiated during gameplay to keep players engaged. These include a Superb bonus round. Extra free spins can be won, and increasing multipliers are on offer.

Big Bass Bonanza on Mobile

Like all online video games like slots, casinos, and bingo, it is important to understand that the latest technology is invaluable for these exciting online video games to get the attention they deserve. For example, a fully mobile version of the game must be important for these modern video slots.

Because technology is forever striving and advancing at an incredible rate, you must admire how Pragmatic Play has worked extremely hard to provide a quick mobile version of Big Bass Bonanza.

Furthermore, using HTML5 technology means that functionalities and compatibilities are optimal across various platforms and devices. In essence, players/gamers alike can enjoy this element, especially when they play on the move and enjoy the game in whatever dynamic or situation. The Big Bass Casino video slot has a super well functioned designed mobile version of the game.

Frequently Asked Questions (FAQs)

Is it easy to get free spins on Big Bass Bonanza?

Free spins are available by landing three scatters on the reels; ten free spins will be a benefit. Four scatters give 15 free spins. 5 scatters give 20 free spins.

How do you play the Big Bass Bonanza slot game?

Look for good online casinos providing Pragmatic Play slots, and click on the link for any Big Bass Bonanza game. Players must register their email and be 18 years or older to play.

What is the Return to Player (RTP) Percentage on Big Bass Bonanza?

The RTP is 96.7% which is very high for an online slot. The game is also in the high range when it comes to volatility. On a scale of 1-5, the variance can be put at a 4.

Conclusion

Big Bass Bonanza launched over a decade ago; it remains popular among experienced players and novices alike. Big Bass Bonanza is a fun and excitable slot, although it still brings great fun and enjoyment during the play.

Big Bass Bonanza is a fantastic game with many bonus features, random multipliers, and winning permutations; it creates exciting gameplay, and if lady luck sides in your favour, you can trigger the free spins feature and be rewarded with big cash payouts. Big Bass Bonanza offers you some decent payouts and 200 times your stake.

Pragmatic Play has considerably dampened the Variance compared to some of their latest releases, with Big Bass Bonanza hanging around at 4 out of 5 on their volatility scale. This still means, however, that it is a high volatility slot. It's important to note that gameplay will likely favour infrequent large payouts over smaller, consistent wins.

The graphics and sound effects are beautifully designed and eye-catching with all Pragmatic Play online slots. Though a fishing theme, the creativity, and ingenuity make it a very enticing and compelling slot to play.

The RTP of 96.7% is well above the industry average, so the player will see decent returns when playing over a long period.
