

# Bradda Head Lithium off to a "really good start" at San Domingo

NEWS RELEASE BY BRADDA HEAD LITHIUM LIMITED

**London, UK | February 08, 2023 08:29 AM Eastern Standard Time**

Bradda Head Lithium Limited (AIM:BHL, OTCQB:BHLIF, TSX-V:BHLI) CEO Charlie Fitzroy speaks to Proactive's Thomas Warner after publishing details of 'significant' high-grade lithium-bearing intercepts at multiple locations from its first diamond core drilling programme at the San Domingo pegmatite district in Arizona. Fitzroy says that the campaign is off to a "really good start" and that the results represent a "really exciting step for the company."
