

Brookside Energy's Wolf Pack well tops production charts

NEWS RELEASE BY BROOKSIDE ENERGY LTD

Melbourne, Victoria | May 12, 2023 03:00 PM Eastern Daylight Time

Brookside Energy Ltd (ASX:BRK) managing director David Prentice chats to Proactive after the Wolf Pack well topped the company's production rankings. The Anadarko Basin asset reached a peak IP24 rate of 2,034 barrels of oil equivalent – the highest rate recorded to date. Prentice says the milestone is a wonderful outcome, reflecting the lucrative nature of Brookside's SWISH AOI acreage.
