## **Forward Looking Statement**

This news release contains certain “forward-looking statements”. All statements other than statements of historical fact are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. These statements may be identified by the use of forward looking terminology such as “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “intend,” “may,” “might,” “our vision,” “plan,” “potential,” “preliminary,” “predict,” “should,” “will,” or “would” or the negative thereof or other variations thereof or comparable terminology and include, but are not limited to, the Trust’s expectations or beliefs concerning future events and stock price performance. The Trust has based these forward-looking statements on its current expectations, assumptions, estimates and projections. While the Trust believes these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are only

predictions and involve known and unknown risks and uncertainties, many of which are beyond its control. These factors, including those discussed in the Trust's Registration Statement on Form 10 filed with the Securities and Exchange Commission (the "SEC"), may cause its actual results, performance or achievements to differ materially from any future results, performance or achievements expressed or implied by these forward-looking statements. For a further list and description of such risks and uncertainties, please refer to the Trust's filings with the SEC that are available at [www.sec.gov](http://www.sec.gov). The Trust cautions you that the list of important factors included in the Trust's SEC filings may not contain all of the material factors that are important to you. In addition, in light of these risks and uncertainties, the matters referred to in the forward-looking statements contained in this news release may not in fact occur. The Trust undertakes no obligation to publicly update or revise any forward-looking statement as a result of new information, future events or otherwise, except as otherwise required by law.
