

Covestro LLC Welcomes New Head of Diversity, Equity and Inclusion

Adrienne Woodard named Head, Diversity, Equity and Inclusion for Covestro LLC in North America.

NEWS RELEASE BY COVESTRO LLC

Northampton, MA | July 27, 2021 10:12 AM Eastern Daylight Time

Adrienne Woodard, head of Diversity, Equity and Inclusion (DEI) for Covestro LLC in North America.

Effective July 19, 2021, Covestro LLC welcomed Adrienne Woodard as head of Diversity, Equity and Inclusion (DEI) for North America.

Woodard joins the Covestro LLC Human Resources team from FedEx Ground, where she most recently led the DEI function in the U.S. and Canada. She brings more than 20 years of progressive, multi-disciplinary human resources experience that has included roles in DEI as well as recruitment, employee relations and affirmative action.

“Adrienne brings a passion for listening to the perspectives of all employees and a unique mix of talents and business acumen to Covestro. We are excited for her to join our

organization to continue to build our DEI culture,” said Haakan Jonsson, chairman and president, Covestro LLC.

Find out more about Covestro’s DEI culture in its recent **DEI Annual Report**.

Woodard has experience in building effective and data-driven DEI strategies for a large organization, spanning across 600+ locations and over 100,000 employees in North America.

“There is a lot of momentum and passion for DEI at Covestro, which is what drew me to the organization. I’m really looking forward to building on that strong foundation to further embed DEI as a business imperative, with an eye toward metrics, education, and culture-building,” said Woodard.

Woodard holds a Bachelor’s degree in psychology from The Ohio State University.

About Covestro LLC:

Covestro LLC is one of the leading producers of high-performance polymers in North America and is part of the global Covestro business, which is among the world’s largest polymer companies with 2020 sales of EUR 10.7 billion. Business activities are focused on the manufacture of high-tech polymer materials and the development of innovative solutions for products used in many areas of daily life. The main segments served are the automotive, construction, wood processing and furniture, electrical and electronics and healthcare industries. Other sectors include sports and leisure, cosmetics and the chemical industry itself. Covestro has 33 production sites worldwide and employed approximately 16,500 people at the end of 2020.
