

Delivery of Johnson & Johnson COVID-19 Vaccines From the U.S. To Mexico

NEWS RELEASE BY FEDEX CORPORATION

Northampton, MA | July 27, 2021 10:26 AM Eastern Daylight Time

“I’ve been with FedEx for 32 years, and this is probably one of the most proud and defining moments of my career.”

– Joe Stephens, senior vice president, global engineering & business transformation, FedEx Express

Last week marked the first delivery of Johnson & Johnson COVID-19 vaccines from the U.S. to Mexico by our team in collaboration with **Direct Relief**. Learn about this shipment and more: <https://lnkd.in/dzQTt6y>
