

discoverIE Group profits jump in "very strong first half"

DIGITAL ASSET DIRECT BY DISCOVERIE GROUP PLC

London, UK | November 23, 2022 07:00 AM Eastern Standard Time

discoverIE Group PLC (LON:DSCV) CEO Nick Jefferies speaks to Proactive following the release of interim results that revealed what he describes as "very strong topline growth." He explains how the group has dealt with a global shortage of semiconductors and reveals an ambitious target for reducing the group's carbon emissions.
