

# EQTEC leadership provides update after flurry of announcements

NEWS RELEASE BY EQTEC PLC

London, UK | March 28, 2023 03:00 AM Eastern Daylight Time

EQTEC PLC (AIM:EQT) CEO David Palumbo and COO Jeffrey Vander Linden speak to Proactive following a flurry of news announcements from the cleantech company that included a targeted £3.5mln placing.

They give their take on how the actions the company has taken so far this year fit with its overall strategy, before looking ahead to what investors can expect next.
