

FedEx and the Culture of Giving Back

Because no child should start the day hungry!

NEWS RELEASE BY FEDEX CORPORATION

Northampton, MA | July 21, 2021 01:21 PM Eastern Daylight Time

The pandemic has exacerbated household food insecurity to the point that one in three Canadian children are at risk of going to school on an empty stomach. Even though Breakfast Club of Canada is working relentlessly to make sure more and more children start their day with a healthy meal, this would not be possible without the help of valued supporters such as FedEx.
