About ChainUp Group

Founded in 2017, ChainUp is a leading end-to-end blockchain technology solutions provider covering infrastructure development and ecosystem support. Built on the mission to empower businesses through blockchain technology, ChainUp's innovative and all-around compliant solutions include digital asset exchange systems, NFT trading systems, wallet solutions, liquidity solutions, and digital assets custody and management. Headquartered in Singapore and with offices around the world, the company has served more than 1,000 clients in 30 countries, reaching over 60 million end-users.
