Details and RTP

The RTP of a game is its Return To Player percentage, this simply means what amount of winnings you should predict back from your deposits. For Fishin' Frenzy, the Return To Player percentage sits at 96.12, meaning that if you deposit £100, you should predict around £96.12 back. The volatility for this game is high, so typically, wins will be spread out rather than smaller wins in quick succession.

How to Play

Fishin' Frenzy is one of the more straightforward slot games to play. With 5 reels and three rows, players must match 3 or more symbols to win. Players must choose a deposit ranging from 0.10 to 80 and press the spin button. The 12 symbols are as follows; Nine, Ten, Jack, Queen, King, Ace, Tackle Box, Life Buoy, Fishing Rod, Seagull, Fisherman Wild, Fishing Boat Scatter and Blue Fish.

If free spins have been claimed as a bonus when you open the game, they should already be available to use, free spins can also be used throughout the game by matching 3 or more Fishing Boat Scatters.

Levels and Values

There are over ten symbols on Fishin' Frenzy, all of which with different values, N x stake. The following symbol values are based on matching 5. The 10, 9, Jack, Queen, King and Ace are all 5x multipliers, the Tackle Box and Life Buoy are 50x, Fishing Rod is 100x, Seagull is 200x, and the Fisherman Wild substitutes for other symbols and rewards up to 500x multiplier. Finally, the Fishing Boat Scatter rewards free spins, and the Blue Fish appears during the free spin bonus and rewards up to a 50x multiplier.

Game Features

There is only one game feature in Fishin' Frenzy, this is the free spins rewarded for matching three or more Fishing Boat Scatters. The amount you can claim depend on how many you match; matching three will give you 10, four will give you 15 and five will give you 20. When this symbol is matched, the Blue Fish symbol will become available; all of these have multipliers attached, to claim them, you must match the Fisherman Scatter for up to a 50x multiplier.

Fishin' Frenzy on Mobile

Unfortunately, Fishin' Frenzy does not have an app. However, due to its small 5 x 3 size, it has been easily made mobile-friendly. Fishin' Frenzy can now be played on Mobile, Tablet and Desktop, and so is available on any mobile-friendly casino with Blueprint Gaming games. This also means that there may be mobile-specific offers at these casinos that will offer players free spins. The great thing about games becoming adaptable to mobiles, tablets, and desktops is that players can play wherever they choose. To play whenever they like, players must be connected to the internet, this goes for all mobile casino sites and games.
