

Flynn Gold has gold in the crosshairs at Golden Ridge and Portland

DIGITAL ASSET DIRECT BY FLYNN GOLD LTD

Melbourne, Victoria | December 22, 2022 11:15 AM Eastern Standard Time

Flynn Gold Ltd (ASX:FGL) CEO Neil Marston is back with Proactive to discuss exploration at its Golden Ridge and Portland projects in northeast Tasmania. Reconnaissance scout reverse circulation drilling has turned up anomalous gold across three prospects, representing 6 kilometres of strike. Meanwhile, Flynn has set the diamond drill bit spinning at the Trafalgar prospect, where it's out to follow up strong gold hits like 12.3 metres at 16.8 g/t.
