

# Great Boulder thrilled with maiden 518,000-ounce gold resource at Side Well

NEWS RELEASE BY GREAT BOULDER RESOURCES LTD

**Melbourne, Victoria | February 01, 2023 02:10 PM Eastern Standard Time**

**Great Boulder Resources Ltd (ASX:GBR)** MD Andrew Paterson discusses with Proactive a maiden 518,000-ounce gold resource for the flagship Side Well Project near Meekatharra in WA. The MRE covers ore from the Mulga Bill and Ironbark deposits and includes a high-grade 370,000-ounce component, weighing in at 5 g/t gold.
