

Hydrogen Utopia International expecting cuts to permitting red tape

NEWS RELEASE BY HYDROGEN UTOPIA INTERNATIONAL PLC

London, UK | February 09, 2023 03:00 AM Eastern Standard Time

Hydrogen Utopia International PLC (LSE:HUI, AQSE:HUI, OTCQB:HUIPF)(HUI) chief executive Aleksandra Binkowska speaks to Proactive's Thomas Warner about the European Commission's newly-announced Green Deal Industrial Plan (GDIP) to accelerate support for European clean technology businesses. Binkowska says that she's "conservatively optimistic" that the GDIP will make a difference for companies like HUI that face high regulatory hurdles.
