

# Ideagen TV Now Available on Apple TV

Ideagen TV launches on Apple TV App

NEWS RELEASE BY IDEAGEN GLOBAL

Northampton, MA | July 23, 2021 05:56 PM Eastern Daylight Time

The advertisement features a light blue background. At the top, it says "Ideagen TV on" followed by the Apple TV logo. Below this is a screenshot of the app's App Store page, showing the Ideagen TV logo, the text "Ideagen TV Global Leaders and Luminaries Ideagen Ventures LLC", and a price of "\$0.99 Only for Apple TV". Underneath the screenshot are three smaller screenshots of the app's interface. Below the screenshots is a paragraph of text: "With the Ideagen Apple TV App, individuals can view our most recent summit series; The Global Leadership Summit Series, and The Cloud, AI, and Innovation Summit Series as well as Ideagen TV series such as our Guest Hosted Series. A new area of content also includes the 'Ideagen Features' section on our Apple TV app where you can watch some of the most noteworthy and popular Ideagen TV content we have released over the past year." At the bottom, there is a large "Download Today" button with a download icon, and a smaller note: "This app is available only on the App Store for Apple TV." In the bottom right corner, it says "CATALYZE MAGAZINE | 10".

Ideagen - "Where Global Leaders Convene" Presented Globally by Microsoft

Ideagen® Is proud to announce the release of the new Ideagen Apple TV app, "Ideagen TV" now available on Apple TV devices. Now watch all of your favorite PowerChats, PowerTalks, and Special event programming on Apple TV via the Ideagen App.

Ideagen is dedicated to providing a global platform to foster cross-sector collaboration by the world's leading Brands, Companies, NGOs, and Public Sector, the Ideagen Apple TV app is now another convenient way to consume the inspiring, curated, and exclusive content that Ideagen produces globally. It will house all content that is released going forward starting immediately. Ideagen Global's CEO, George Sifakis stated "Today is an exciting launch and part of our continued commitment to providing ubiquitous distribution of our inspiring Ideagen TV content to reach millions of people across the planet.

With the Ideagen Apple TV App, individuals can view our most recent summit series; The Global Leadership Summit Series, and The Cloud, AI, and Innovation Summit Series as well as Ideagen TV series such as our Guest Hosted Series. A new area of content also includes “Ideagen Features” section on our Apple TV app where you can watch some of the most noteworthy and popular Ideagen TV content we have released over the past year.

As we continue the countdown to 2030 and achieving the 17 Global Goals, Ideagen is committed to delivering our content with our unique ubiquitous distribution model, including the leading social platforms, IdeagenGlobal.com and now via smart TV’s by presenting our content via streaming service. Watch for the release of Ideagen TV on Amazon Fire Stick and Roku coming Winter of 2021!
