

Iofina "off to a good start" in 2023

NEWS RELEASE BY IOFINA PLC

London, UK | February 09, 2023 05:43 AM Eastern Standard Time

Iofina PLC (AIM:IOF, OTC:IOFNF) CEO Tom Becker speaks to Thomas Warner after releasing a trading update for calendar year 2022 that suggests the firm outperformed market expectations of its EBITDA. Becker gives his take on why the business grew last year before looking ahead to what investors can expect from 2023, highlighting high iodine prices globally. He says Iofina is already "off to a good start."
