

Jindalee Resources lays the groundwork for advanced lithium test-work at McDermitt

NEWS RELEASE BY JINDALEE RESOURCES LTD

Melbourne, Victoria | March 24, 2023 03:00 PM Eastern Daylight Time

Jindalee Resources Ltd (ASX:JRL) managing director Lindsay Dudfield chats with Proactive after the company assessed test-work pathways for the McDermitt Lithium Project in Nevada. The explorer worked with NYSE-listed Fluor to determine the most economically viable flowsheet, paving the way for advanced work on the US' largest lithium deposit.
