Deputy Director, Climate Program
& Global Director, GHG Protocol

VIRGINIA COVO NARANJO
AB InBev
Global Director, Sustainability
Supply Chain

Urgent action is required to limit global temperature rises and the role of business is key. Hosted by **Innovation Forum** from September 27-29, 2021, this climate action conference will focus entirely on supply chain decarbonization.

Join the virtual conference on Wednesday, September 29 to hear International Paper Chief Sustainability Officer Sophie Beckham in conversation with Pankaj Bhatia from World Resources Institute, Virginia Covo Naranjo from Anheuser-Busch InBev and Neil Coole from BSI Americas as they discuss the role of natural climate solutions in decarbonization.

Register for this event here.
