

Kalgoorlie Gold says new Pinjin deal could be a company-maker

NEWS RELEASE BY KALGOORLIE GOLD MINING LIMITED

Melbourne, Victoria | June 02, 2023 10:00 AM Eastern Daylight Time

Kalgoorlie Gold Mining Ltd (ASX: KAL) CEO Matt Painter tells Proactive KalGold is in a prime position as a successful explorer specialising in low-cost resource definition. At the flagship Bulong Taurus Project the company recently reported a new JORC resource for La Mascotte deposit of 3.61 million tonnes at 1.19 g/t gold for 138,000 ounces. Painter also describes the company's acquisition of the Pinjin project as a potential company-maker, offering an opportunity for a significant discovery in one of the most prolific mineralised structures in the entire Eastern Goldfields.
