NEWS RELEASE BY KEYBANK

In July 2021, **KeyBank**, in partnership with the **First Niagara Foundation**, joined with **Eight Days of Hope** (EDOH) to provide free home repairs on approximately 150 homes in the Masten District in Buffalo, NY.

EDOH Buffalo occurs once a year in a different district of Buffalo to help bring hope to those whose homes need repair. The eight-day event brought over 1,500 volunteers from around the country to help those in the Masten District with home improvements such as painting, porch repair, roofing, carpentry, and landscaping.

On July 20, more than a dozen volunteers from Key took time to work on a home on Norfolk Avenue in Buffalo, painting, scraping and landscaping. Watch the video above to see KeyBank teammates giving their time and talent to this project and learn more about the difference it made for the homeowner, Donald Ayers.
