

Keysight Engineer Celebrates Brazilian Engineer Alberto Santos-Dumont During Hispanic Heritage Month

NEWS RELEASE BY KEYSIGHT TECHNOLOGIES

Northampton, MA | October 08, 2021 09:36 AM Eastern Daylight Time

WHO INSPIRES US...

**Brazilian engineer
Alberto Santos-Dumont**

I'm inspired by Brazilian engineers like Alberto Santos-Dumont who contributed significantly to the early development of both lighter-than-air and heavier-than-air aircraft in the early 20th century. In 1906 he won the Archdeacon Prize for being the first to fly over 100 meters in distance.

BEATRIZ SOUSA
SOLUTIONS MARKETING ENGINEER

#HispanicHeritageMonth2021

In honor of Hispanic Heritage Month 2021, Keysight Technologies employees share how Hispanic engineering contributions have inspired them in their careers. Here's a look at who inspired solutions marketing engineer Beatriz Sousa.
