

# Light Science Technologies looking ahead to 2023 after "tough year"

DIGITAL ASSET DIRECT BY LIGHT SCIENCE TECHNOLOGIES HOLDINGS PLC

London, UK | December 06, 2022 03:00 AM Eastern Standard Time

Light Science Technologies Holdings PLC (AIM:LST) CEO Simon Deacon speaks to Proactive after releasing update on the company's performance during the year to November 2022. Deacon outlines what challenges the company faced during what he describes as a "tough year" and explains why he feels optimistic heading into 2023. He also reveals that the company may also look to augment its organic growth with acquisitions, if a suitable opportunity arises.
