

Lithium Energy hunts for metals of the future in Queensland and Argentina

NEWS RELEASE BY LITHIUM ENERGY LTD

Melbourne, Victoria | June 02, 2023 01:00 PM Eastern Daylight Time

Lithium Energy Ltd (ASX:LEL) executive chair William Johnson brings Proactive up to speed on the company's graphite prospects in Queensland and its lithium endeavours in Argentina. Over at the Corella Graphite Project, LEL's pioneer drill program has uncovered up to 27.4% total graphitic carbon on the way to a maiden resource. The Solaroz Lithium Project's first-pass diamond drilling program is reaping similar success, with massive intervals of lithium-rich brine uncovered throughout the three-rig campaign.
