

# Metal Energy Corp wraps up 10,000 metre drill program while acquiring 100% of Manibridge project

DIGITAL ASSET DIRECT BY METAL ENERGY CORP.

Vancouver, BC | January 05, 2023 03:00 PM Pacific Standard Time

Metal Energy Corp CEO James Sykes shared news that the company has now acquired 100% of the Manibridge project in Manitoba. The company completed this on an accelerated timeline. Sykes talks about achieving that milestone and also about the company completing its Phase 2 drilling program at Manibridge. That included 36 diamond drill holes, including 6 abandoned holes, with all completed holes hitting visible nickel sulphides.
