

Musgrave Minerals MD showcases new 3D interactive model of Cue Gold Project

NEWS RELEASE BY MUSGRAVE MINERALS LTD

Melbourne, Victoria | March 27, 2023 03:00 PM Eastern Daylight Time

Musgrave Minerals Ltd (ASX:MGV, OTC:MGVMF) MD Rob Waugh tells Proactive the company has released its first 3D interactive geoscientific model of the flagship Cue Gold Project, which is now available to view on the company's website. The release comes ahead of MGV's highly anticipated Stage 1 pre-feasibility study (PFS) for Cue which is near completion with release expected in just a few weeks.
