

Musgrave Minerals reveals excellent gold recoveries at Cue Gold Project

DIGITAL ASSET DIRECT BY MUSGRAVE MINERALS LTD

Melbourne, Victoria | December 17, 2022 10:10 AM Eastern Standard Time

Musgrave Minerals Ltd (ASX:MGV) managing director Rob Waugh is back in the Proactive studio to discuss a big week of news at the Cue Gold Project in WA. Musgrave has two new mining leases under its belt, fully covering the headline Big Sky and White Heat-Mosaic deposits. In other news, strong gold recoveries will feed into a stage one pre-feasibility study, scheduled for completion early next year.
