Lake Oswego, OR | May 03, 2023 08:30 AM Eastern Daylight Time

NAVEX, the leader in integrated risk and compliance management software, today announced nominations are now open for the third annual NAVEX Customer Excellence Awards. This prestigious award acknowledges and celebrates the exceptional performance of NAVEX customers' ethics, compliance and integrated risk management programs. The nomination window will be open until July 12, 2023.

Previous Customer Excellence Award winners include Dell Technologies, Castolin Eutectic Holding GmbH, Jacksonville Transportation Authority and Genpact. Interested NAVEX customers can submit their entry today via the [NAVEX Customer Excellence Award website](#).

"A robust risk and compliance program is fundamental to creating and maintaining a highly motivated workplace culture," said Steve Chapman, Chief Customer Officer at NAVEX. "Our annual excellence awards recognize especially strong programs that demonstrate measurable impact on business success. We look forward to seeing all of this year's nominations."

The Customer Excellence Awards recognize exceptional program performances from NAVEX's 13,000+ customers worldwide, covering 70 million employees, categorized by company size and across three categories.

- **Ethics & Compliance** – Recognizes the exceptional ability to identify and mitigate risks, provide meaningful insights into corporate culture and drive risk aware decision-making through E&C programs.
- **Integrated Risk Management** – Recognizes the exceptional ability to adapt to specific risk landscapes, bring visibility to risk across the organization and use informed data to influence decisions that ultimately make for a more resilient and successful business.
- **GRC Program of the Year** – Recognizes the exceptional ability to break down silos across the business to align ethics and compliance, and/or integrated risk management, resulting in a comprehensive risk and compliance management program that provides efficiency and actionable insights.

As in years past, an expert panel of judges will determine the winners, consisting of some of the most respected names in the industry, including Vera Cherepanova, Studio Etica; Matt Kelly,

Radical Compliance; Michael Volkov, The Volkov Law Group; Kyle Welch, George Washington School of Business; Carol Williams, Strategic Decision Solutions; along with NAVEX executives Florian Haarhaus, International General Manager; Steve Chapman, Chief Customer Officer; and Carrie Penman, Chief Risk & Compliance Officer.

NAVEX is trusted by thousands of customers worldwide to help them achieve the business outcomes that matter most. As the global leader in integrated risk and compliance management software and services, we deliver solutions through the NAVEX One platform, the industry's most comprehensive governance, risk and compliance (GRC) information system.
