

Ncondezi Energy provides fresh numbers for Mozambique solar project

DIGITAL ASSET DIRECT BY NCONDEZI ENERGY LTD

London, UK | November 23, 2022 06:16 AM Eastern Standard Time

Ncondezi Energy Ltd (AIM:NCCL, OTC:NCDZF) CEO Hanno Pengilly gives Proactive more detail about the financial potential of its planned solar and battery energy storage project in the Tete Province of Mozambique. He says that the company ultimately intends for it to become 300MW project, but initially intends to try and scale up in 100MW increments.
