

# Nova Minerals eagerly awaiting resource updates for Estelle Gold Project

NEWS RELEASE BY NOVA MINERALS LTD

## Melbourne, Victoria | March 23, 2023 01:15 PM Eastern Daylight Time

Nova Minerals Ltd (ASX:NVA, OTCQB:NVAAF) CEO Christopher Gerteisen speaks with Proactive soon after receiving further significant gold intersections from diamond drilling at Cathedral within the Korbel Mining Complex in Alaska. These appear set to enhance resource updates being compiled for RPM and the Korbel Valley of the Estelle Gold Project. The company is also working on a Phase 2 Scoping Study which will be produced soon after the resource estimate is complete.
