When you are head over heels in studying, every day may feel the same – getting up, attending classes, and doing your homework. And you can hardly find time for a 6-hour sleep, let alone other activities. To keep burnout in check, you need to adopt coping strategies. And the most effective one is to pay for essay when you are overwhelmed with assignments.

Nowadays, it can take a minute to find a paper writing service as the internet is chock-full of them, but you don't rush to seize this opportunity. Why? A reliable helper will go the extra mile to ensure your anonymity and the uncompromising quality of the papers delivered. So, neither your reputation nor money will be put on the line.

What writing service is the right place to pay for essay? A website can be your go-to for all things academic if it provides you with:

- Subject-relevant writers
- Money-back guarantee
- Specified turnaround time
- Limitless revisions
- Clear terms and conditions

If you don't have time for meticulous research, you can avail yourself of the selection made by us. All the services are time-tested and lauded for delivering A-worthy papers in a timely fashion. You can pay for essay, case study, or book report in a secure and safe manner.

The review only involves 5 services to provide you with full information about each. So, if you want to pay for essay, select one of the following options.

GradeMiners - One-stop company to meet all your needs

If you're an experienced student, GradeMiners needs no introduction: everyone's favorite company with 12+ years of experience and an impressive record of positive reviews. Their paper writers can work miracles, as proven by [Sitejabber](#) users and thousands of feedback shared online.

Even the website stands out from the competition, showing how student-friendly GradeMiners are. Intuitive and fun, it features illustrations and provides exhaustive information needed to find the

best online essay writer. Your customer journey won't take long: the website is easy to navigate, ensuring you can make an order quickly and stress-free.

GradeMiners offers help across different subjects, study levels, and types of work: starting with assistance with college essays and papers and ending with PPT presentations, projects, and case studies. The full list of services is available on the order form, just like other options that are important to consider, e.g., referencing styles, deadlines, specific requests, etc.

Although the prices are not the cheapest compared to other offerings on the web, they still match the market average. However, the crucial difference is those essay writers who work for GradeMiners are known to be tried and tested professionals with profound knowledge, relevant qualifications, and strict NDA regulations. Privacy is a solid guarantee, and this company outperforms all market competitors by following the strictest policies.

Another important tip: you can access multiple writing tools for free. Even if you are not a customer, free services, such as title and citation generators, essay typers, samples, and many more, are available to anyone completely free of charge.

To sum up, GradeMiners is your one-stop company if you are looking for:

- Good quality and custom research in your papers.
- Zero plagiarism guarantee.
- Free tools to ace your writing.
- Excellent service at an average price.
- Discounts for first orders.
- Full security and confidentiality.

MasterPapers – The #1 legit platform to pay for someone to do your essay fast

School teachers and college professors turn a blind eye to the fact that not all students can show a flair for words like Gary Snyder or Deborah Eisenberg. Crafting papers may not be their cup of tea, but they may be gifted in other disciplines. Even though young people can't fix this curriculum problem, they can cut corners with MasterPapers, an established paper writing service. It has been in the business for 18+ years and got over 50K of positive reviews during this time. So it's not surprising that SpiegelTimes has included this company in its review of the top 10 'do my essay' services.

Zero-plagiarism policy and 100% confidentiality are two main pillars MasterPapers has built its business on. Students are only provided with secure payment methods to prevent data leakage and keep their orders secret.

The company has created a multi-stage hiring system to ensure the best quality of papers delivered. All newcomers have to verify their qualifications and experience specified in their CVs. That's why only 8% of all applicants are hired.

MasterPapers is a platform where young people can find the best field-relevant experts. From business management to English literature to physics to political science, all subjects are covered. To understand better what quality of papers delivered to expect, students can explore free samples available on the website. A standard-size essay or book report can be written on the same day.

MasterPapers is a platform of choice for writing your essay because of:

- Fast turnaround time
- 2-week revision period
- A wide range of freebies
- 4.5 rating on [Sitejabber](#)
- Formatting services free of charge
- 15% discount for newcomers
- Satisfaction guarantee

However, the website navigation leaves much to be desired, so it may take time to obtain the necessary information. Rates are also higher because of two decades of experience; if you are looking for a cheap essay writer, try other companies listed below.

EssayWriter – Professional 'pay to write my essay' services

Poor or almost-failing grades sap students' confidence, decreasing their motivation to study in general. Unfortunately, most professors don't make allowances for personality types and capabilities when giving non-flexible deadlines for assignments. That's where EssayWriter can come to the rescue. It has a big team of professionals who know the ropes of academic writing and can craft a standard-size essay in 1-3 hours.

While most paper writing services focus on high schoolers and freshmen, EssayWriter caters to all students, including undergraduates and alumni. It can provide assistance in crafting graduation papers, CVs, and cover letters. Research papers can be written in 12 hours, making it the best last-minute service on the web.

The fast lighting turnaround may cast doubt on the uniqueness of the papers done. So, students may call into question the service's customer-centric approach. To set the record straight about its plagiarism policy, the company utilizes top-notch online checking tools like Copyleaks and Copyscape. That's why the company has one of the highest satisfaction rates – 96%.

From physiology to marketing to business, all majors are covered here. EssayWriter goes the extra mile to ensure students can team up with a subject-related specialist. Moreover, they can seize a unique opportunity to keep working with the same writer all over again if they fancy the style and

the quality of the papers delivered. Everything they need to do is to specify the preferred writer's ID when placing an order.

EssayWriter is a platform of choice for writing your essay because of:

- Specialists with MA and Ph.D. degrees
- Plagiarism-free guarantee
- Freebies like MLA/APA formatting
- Pocket-friendly rates
- 4.86 rating on [Sitejabber](#)
- Full refund if not satisfied
- Free revisions within 30 days
- The welcome bonus (15% off)

However, finding the required information on the website can take time. All helpful tools are located in the footer, so you can overlook them when scrolling through the home page.

EssayUSA – The right place to get quality-written papers in 70+ subjects

Writing essays is the most popular type of assignment, not only for language-focused classes. The lack of linguistic proficiency and time make things warm for students, wreaking havoc on their performance. To turn the tide, young people choose to pay for an essay at EssayUSA. The company covers all English-speaking countries, from Australia to the USA to Great Britain.

While most academic writing services specialize in the most widespread subjects like English literature, EssayUSA works with over 70 fields at different levels. In other words, high schoolers and college students can come here to write lab reports, theses, and term papers. The service provides assistance with 20+ types of assignments.

The company has a large pool of professional writers who obtained MA and Ph.D. degrees in different majors. As former students and experienced specialists, they know all the ins and out of the academic world and how A-worthy papers must be crafted. In addition to writing, the company also offers editing and proofreading services.

The probability of missing deadlines is the main driving force that prompts students to seek assistance. EssayUSA does its best to ensure that all orders will be performed on time. Young people can always contact a helpline team, working around the clock to place a last-minute order. Standard essays can be delivered in less than 3 hours, meaning it's possible to send a request late at night to get everything done in the morning.

EssayUSA is a platform of choice for writing your essay because of:

- 1450 professional writers on board
- Full refund guarantee

- Over 95% **positive feedback**
- Reasonable rates
- Uncompromising project time management
- 24/7 customer support

However, if you are on the lookout for a platform with a slew of free work samples, it may not be the right place. On top of that, website navigation is a bit tricky.

PayForEssay – The best legit website to find a subject-related writer

The biggest fear that holds students back from using paper writing services is the lack of anonymity. If their professors discover their way of handling a heavy workload, they can be penalized or kicked out. While it can really happen with third-rate companies, PayForEssay nips such a probability in the bud.

This essay writer service keeps a close check on compliance with the anti-plagiarism policy. Its writers create every piece afresh, only using authorized databases like ProQuest and JSTOR. Plus, every paper is checked for non-unique excerpts, meaning the acceptable Turnitin percentage is guaranteed.

With PayForEssay, students are safe from data leaks as all order details (including personal info) are off the record. The service operates according to the highest security standards and only uses tried-and-true payment methods. So, you can pay for college essay or any other academic paper in the safest way.

A customer-oriented approach and the high-quality services provided have allowed the company to gain over 10 years of experience and a good referral rate (37%). In other words, high performance is a cornerstone of customer acquisition.

Unlike mediocre services that hire undergraduates, PayForEssay only cooperates with professionals who earned Ph.D. or MA degrees at the very least. Their writers also have 3+ years of relevant experience and a knack for crafting A-worthy academic papers. All of them have successfully passed a multiple-stage job interview and vouch for the quality of work performed.

PayForEssay is a platform of choice for writing your essay because of:

- Knee-deep research
- Full-refund guarantee
- 15% welcome discount
- Academic formatting free of charge
- Great for different types of papers
- Compliance with your professor's demands
- **Excellent online reputation**

However, if you need some additional services, they may be charged higher. The same goes for sophisticated tasks with tight deadlines.
