

# Perpetual Resources upgrades silica sand MRE at Beharra

DIGITAL ASSET DIRECT BY PERPETUAL RESOURCES LTD

Melbourne, Victoria | December 17, 2022 10:00 AM Eastern Standard Time

Perpetual Resources Ltd (ASX:PEC) chairman Julian Babarczy sits down with Proactive's Elisha Newell after a mineral resource update at the Beharra silica sands project in WA. Babarczy says the company took a methodical approach to update the resource – 90% of which now stands in the high-quality upper and lower white horizons – and the entire MRE is located above the water table.
