

# Piedmont Lithium says booming lithium demand is electrifying

NEWS RELEASE BY PIEDMONT LITHIUM INC

## Melbourne, Victoria | February 03, 2023 10:50 AM Eastern Standard Time

Piedmont Lithium Inc (ASX:PLL) (NASDAQ:PLL) president and CEO Keith Phillips sits down with Proactive's Elisha Newell during an investor roadshow in Australia. Phillips recaps progress across the company's global lithium portfolio and outlines a series of key agreements with fellow ASX-listers and EV giant Tesla. The Piedmont CEO says there's plenty more news in the pipeline as the company works to become a world-class US lithium business.
