

Poolbeg Pharma's new NED looking at "new opportunities" for the business

DIGITAL ASSET DIRECT BY POOLBEG PHARMA PLC

Londo, UK | May 26, 2023 07:32 AM Eastern Daylight Time

Poolbeg Pharma PLC (AIM:POLB, OTCQB:POLBF) non-executive director Professor Brendan Buckley speaks to Thomas Warner following the announcement that he'll be taking up a new role within the company. Buckley has previously served on Poolbeg's scientific advisory board, and says that while Poolbeg remains "infectious disease focused, we're looking around us... to see whether there are other opportunities" being created by the work done so far.
