breakdown:

Price	Free SC	GC (Standard)	GC (With Bonus)	VIP Points
\$4.99	SC 5.05	GC 2,500	N/A	45
\$9.99	SC 15	GC 5,375	GC 16,125	110

\$49.99	SC 51	GC 40,000	N/A	750
\$99.99	SC 104	GC 105,000	N/A	1,800

As you can see, the bigger the purchase, the better the deal. For example, the \$19.99 package may be 4x the price of the \$4.99 package, but you get more than 4x the GC.

Pulsz does not charge a fee for making a purchase. However, the payment method might. For example, adding funds to your Skrill account with a credit card counts as a cash advance charge, which comes with fees and higher rates.

How Do VIP Points Work At Pulsz Casino?

You can earn Pulsz VIP Points by playing casino games, leveling up, and purchasing coins. The more you earn, the higher you climb up the VIP levels. Every member starts at the Bronze level, and the highest is the Royal Diamond level.

Each Pulsz VIP level increases the amount of GC you receive when you make a purchase. It also boosts the number of VIP Points when you level up. Here's a breakdown:

- **Bronze:** 1x GC and 1x VIP Points
- **Silver:** 1.5x GC and 2x VIP Points
- **Gold:** 2.5x GC and 3x VIP Points
- **Platinum:** 4x GC and 4x VIP Points
- **Diamond:** 7x GC and 5x VIP Points
- **Royal Diamond:** 10x GC and 6x VIP Points

That means you get an even better Pulsz bonus code than the welcome offer when you reach the Gold level or higher. The purchase bonus is also solid for the Silver level, but not as good as the initial welcome bonus.

In fact, if you use your 200% Pulsz welcome bonus for the \$19.99 package, you earn 460 VIP Points, which skyrockets you into the Silver tier and toward the Gold level.

Other Sites Like Pulsz

Promotional sweepstakes casinos get the vast majority of players in the US access to online casino-style games for cash prizes. So what other sites are like Pulsz? Here are the top options:

Pulsz Bingo – About the Newest Pulsz Casino Product

Pulsz Bingo is the newest offering from Pulsz Casino. If you're already a Pulsz Casino member, you probably have the announcement in your email inbox – and have access to Pulsz promo codes for existing players. Players looking to win cash prizes playing Pulsz Bingo have to create a new account first. Thankfully, that also includes free SC on signup so you can immediately get to the cash prize bingo games, plus free GC for fun-play bingo.

Will we see Pulsz Poker or a Pulsz Sportsbook? Time will tell, but the expansion into online bingo makes additional Pulsz Casino products a distinct possibility.

How to Play Pulsz Bingo

Log in to your account and click the "Bingo" on the left side. If it's your first time, you'll need to create a unique screenname. This is for the chat feature as well as prize announcements, so be sure to create a screenname without personal identifiers. Then follow these steps to play Pulsz Bingo:

1. Select the bingo game you want to play, whether it's the next one up or one scheduled for later on.

2. The goal for each bingo game can be different. It may be to simply create a single bingo, create the letter E, or any number of combinations.
3. The buy-in price in SC represents the cost per card, and players can usually select up to 100 cards. So, if the buy-in is 0.08 SC per card and you decide to purchase 10 cards, the total price would be 0.80 SC.
4. Once the game begins, numbers are drawn, just like traditional bingo.
5. The cards automatically fill in while the numbers are drawn, taking the stress out of playing multiple cards.
6. If you create the combination before the other players, you win!
7. Redeem your won SC for a cash prize, leave it in your account, or play again, whatever you prefer.

Good luck, have fun, and remember to practice Responsible Gaming.
