

# Quantum eMotion Sentry-Q platform to be used in Greybox Solutions digital therapeutics

NEWS RELEASE BY QUANTUM EMOTION CORP

**New York, New York | February 10, 2023 08:04 AM Eastern Standard Time**

Quantum eMotion CEO Francis Bellido joins Natalie Stoberman from the Proactive studio to discuss the latest Sentry-Q platform commercial agreement with Greybox Solutions, a Montreal-based health technology company specializing in innovative software development to improve patients' lives.

Bellido says this partnership will enable Greybox's TakeCare digital therapeutic product to take advantage of QeM's Quantum-Safe cryptographic platform. Digital therapeutics refers to the use of technology-driven solutions, such as mobile apps, wearable devices, and telemedicine, to enhance patient outcomes by leveraging the benefits of technology such as patient health records convenience, accessibility, and real-time monitoring and feedback.
