

# Rakovina Therapeutics receives government grant to accelerate novel cancer therapy program

NEWS RELEASE BY RAKOVINA THERAPEUTICS INC

**Vancouver | March 24, 2023 01:46 PM Eastern Daylight Time**

Rakovina Therapeutics chief scientific officer Mads Dugaard joined Proactive's Steve Darling to share news the company is receiving research and development funding from the National Research Council of Canada Industrial Research Assistance Program.

Dugaard tells Proactive the non-dilutive financing will provide its scientists in the development of DNA-damage response inhibitors with the goal of selecting one or more lead compounds for advancement to either toxicology and/or investigational new drug studies.
