

Revolve Renewable Power makes progress as it transitions from project developer to power producer

DIGITAL ASSET DIRECT BY REVOLVE RENEWABLE POWER CORP

Vancouver, British Columbia | December 02, 2022 09:15 AM Pacific Standard Time

Revolve Renewable Power Corp CEO Steve Dalton and President Omar Bojorquez spoke to Proactive as the company released its financial numbers alongside a corporate update. Dalton outlined some of the key moments for the company including its shift from being a project developer to becoming an independent power producer, generating electricity with recurring long-term revenue. Bojorquez also spoke about a shift from the Mexican government after years of uncertainty for the renewable energy sector.
