

# Satellogic working to deliver cost-effective satellites through new open line of business

NEWS RELEASE BY SATELLOGIC

**New York | March 23, 2023 11:43 AM Eastern Daylight Time**

Satellogic chief commercial officer Matt Tirman joins Proactive's Natalie Stoberman to share more details behind the launch of its open line of satellite purchases to governments and businesses.

Satellogic is the first vertically integrated geospatial analytics company, driving real outcomes with planetary-scale insights. The company is building the first scalable, fully automated Earth Observation platform with the ability to remap the entire planet at both high-frequency and high-resolution, making satellite imagery accessible and affordable to drive better global decision-making.
