

# Small Business as a Cause

NEWS RELEASE BY QUALCOMM

**Northampton, MA | July 09, 2021 11:01 AM Eastern Daylight Time**

While not a traditional “cause”, the plight of small business has attracted significant attention (and funding) from large corporations over the past year. **H&R Block's Paul Ramos** and **Qualcomm's Angela Baker** share how their companies are working to engage consumers and employees in support of small businesses as well as empower and spotlight minority-owned micro-enterprises.

**View additional multimedia and more ESG storytelling from Qualcomm on [3blmedia.com](https://3blmedia.com)**
