

# Terra Uranium granted exploration permits for the next three years at Athabasca Basin

DIGITAL ASSET DIRECT BY TERRA URANIUM LTD

Melbourne, Victoria | December 22, 2022 12:30 PM Eastern Standard Time

Terra Uranium Ltd (ASX:T92) executive chairman Andrew Vigar speaks with Proactive about recent exploration approvals for its 100%-owned Athabasca Basin projects in Canada. The permits are for three years and include the construction of a base camp, access roads and both RC and diamond drilling. T92 has worked closely with First Nations and the Saskatchewan Government to prepare for an expanded northern winter exploration program.
