London, UK | June 01, 2023 11:09 AM Eastern Daylight Time

Thor Explorations Ltd (TSX-V:THX, AIM:THX, OTC:THXPF) President and CEO Segun Lawson speaks to Thomas Warner from Proactive after announcing that the gold producer has acquired a "significant tenure" in Nigeria that covers lithium-bearing pegmatite deposits and a large unexplored prospective pegmatite-rich belt. Lawson says that the company's leadership is "very excited" about the land package assembled.
