CollegeEssay.org

CollegeEssay.org is a top essay writing service in 2023 specializing in helping students with their academic writing needs. They provide customizable essay writing services to high school and college students worldwide, creating custom pieces tailored to each individual's requirements. They offer various services, including custom essay writing, editing, proofreading, and formatting.

Most Liked By Students For: Honest and authentic reviews across multiple credible platforms. The users at SiteJabber rated them 4.94/5, TrustPilot users rated them 3.9/5, and the users of Reviews.io rated them 5/5.

What We Didn't Like: The service has higher costs as compared to other online writing sites. So, it can be a bit costly to order from their services.

How it Works: Their easy ordering process and friendly user interface are probably the reasons why they are loved by students everywhere. Here's how you can get an essay from them:

- **Place Order:** Fill out the order form on their website. Add your assignment details like subject, academic level, deadline, number of pages, topic, references, etc.
- **Get a Writer:** You will be matched with a writer that suits your academic level and area of study. The writer will start working on your assignment while being in direct contact with you throughout.
- **Editing & QA Check:** The editors and QA team check the paper once the writer completes their job. They ensure it is free from mistakes and meets the highest academic standards.
- **Prompt Notifications:** You get notified via email and text as soon as the paper is done.
- **Easy Download:** You can easily download the paper from your portal on the website or through your email.

Pricing: \$10/page - \$50/page depending on your deadline and academic level.

Best for Students Who: Like Simple Order Processes and User-Friendly Interface

If you don't like the hassle of filling out long forms and following multiple steps to get a simple paper, then CollegeEssay.org might just be your service! You can do everything from placing the order to downloading your essay with just a few clicks. Moreover, the website is so easy to navigate and responsive that you're never confused about what's happening.

MyPerfectWords.com

MyPerfectWords.com is a top essay writing company online that provides academic assistance to students of all levels. With a professional team of essay writers and editors combined with cutting-edge technology, MyPerfectWords.com offers the best custom essay solutions.

Most Liked By Students For: Offering 24/7 customer support via text, email, live chat, and call. They also offer multi-lingual support for ESL students. Moreover, they allow customers to communicate directly with their assigned writers throughout the writing process. Students also love their easy-to-use mobile applications available on Play Store and App Store.

What We Didn't Like: They only revise the essay for a period of 14 days after order submission. Most of their guarantees are also valid within this time period only.

How it Works: Their order process includes 3 simple steps, which are as follows:

1. **Fill Out the Order Form:** You need to visit their website and click on the order form in the top right corner.
2. **Provide Assignment Details:** Fill in the fields like your subject, topic, deadline, no-of sources, list of references, additional details, etc., to let them know how you want it.
3. **Make the Payment:** Transfer the payment by using any of their safe payment methods, and their writer will get busy on your project.

Pricing: For High School, the price ranges from \$11-28/page; for College/University, it is \$14-33/page; for Masters, it is \$17-37/page; and for Ph.D., it is \$30-50/page.

Best for Students Who: Need Round-the-Clock Customer Service and Writing Assistance

If you need help with your writing needs at midnight or want an answer to your order query within seconds, then MyPerfectWords.com will be there. Students are amazed by how quickly they respond, no matter which hour of the day - even on Sundays!

5StarEssays.com

They stand out among other writing service websites in their commitment to quality.

Most Liked By Students For: Unlimited free revisions and 100% original assignments with FREE plagiarism reports. They will work with you on your essay even after sending it to you to ensure you are satisfied with it.

You just need to tell them the necessary changes, and they'll make it right. Moreover, they write papers from scratch and guarantee you won't have any plagiarism troubles.

What We Didn't Like: It takes time to place an order on the site. Once you need to fill in the calculator on the page and then you need to fill in the details on the order page, which is a bit time taking.

How it Works: Here's how you can get an essay from them:

1. **Placing an Order:** To place an order, you must visit the website and fill out the order form. You will need to provide details about your assignment, such as the topic, deadline, number of pages, and other specific instructions.
2. **Writer Selection:** After you place an order, the team at 5StarEssays.com will review your order and select a suitable writer for you. The writer will have expertise in the subject area of your assignment and will be able to provide high-quality work.
3. **Communication with the Writer:** You will communicate directly with your writer throughout the writing process. This will allow you to ask questions, provide feedback, and ensure your assignment is on track.
4. **Revisions:** Once your writer has completed your assignment, you can review it and request any revisions if needed. The revisions are free of charge and will be completed promptly.
5. **Delivery:** Once your assignment is completed, it will be delivered to you via email or uploaded to your account on the website, along with a FREE Turnitin report. You will have access to the final version of your assignment and can download it.

Pricing: Their prices start from \$14/page and go up to \$40/page. The exact price will be calculated based on your assignment requirements.

Best for Students Who: Need Free Revisions and Customer Satisfaction

For students who have extremely picky and difficult to impress instructors, 5StarEssays.com will actually work with you till your assignment is perfect after review. You can get it revised for free for a period of 14 days after order delivery. They will also meet all your and your teacher's requirements and keep in view the originality and academic integrity practices.

WriteMyEssay.help

Moreover, with each paid order, they offer a free title page, bibliography or citation pages, free proofreading, free formatting (MLA, APA, Chicago, Harvard, etc.), and unlimited free revisions.

What We Didn't Like: Students can't select their writer by their own choice. Instead, the service pairs them with a suitable writer itself.

How it Works: This best writing service has a user-friendly platform that allows you to submit an order form specifying your specific requirements and deadline. Upon submission, the platform pairs you with a competent writer who works directly with you throughout the writing process.

After your paper is done, you can review the work and request any necessary revisions to ensure that the final product meets your expectations.

Pricing: Their prices range from \$11/page to \$50/page. However, the service allows you to pay 50% of the total cost upfront. While the rest can be paid once you've received your essay and are completely satisfied with it.

Best for Students Who: Need Expert and Highly Qualified Writers For Complex Projects

Students looking for highly qualified subject matter experts. Probably you need expert research done or want help with a complex dissertation, you will definitely find someone at MyPerfectPaper.net for help. That, too, with several free services!

FreeEssayWriter.net

FreeEssayWriter.net is a unique yet the cheapest essay writing service that provides a free essay to its customers with no hidden costs or obligations.

In addition to the free essay, the service offers a range of free tools that assist in writing, such as essay typer, grammar checker, and citation generator. These tools help students save time and effort, ensuring their papers are well-structured and properly cited.

Most Liked By Students For: A first free essay by an expert writer, and a number of free essays and easily usable writing tools. If you prefer to get an essay done by a human writer, you can enjoy their first free essay offer (fair usage policy). Or, if you need writing assistance, you can use any of the tools on the site or download essays from their free essay database.

What We Didn't Like: The citation generator tool is a bit slow or sometimes doesn't generate accurate citations.

How it Works: If you want to order an essay from a qualified and experienced writer, you can visit their order form. On the other hand, if you prefer using their writing tools, simply visit their website and choose the tool you like. Enter the required details, and the tools will generate results according to your requirements.

Pricing: The first essay is free to 600 words. After that, prices start at \$10/per page, which includes 300 words with standard formatting.

Best for Students Who: Need Free Essays and Writing Tools

This site is the best source of academic writing help for students on a tight budget. As you can get your first essay free, and if that's not enough, you don't always need to buy the essay. You can use essay typer and other tools to get some writing assistance.

To top it all, there are multiple free essays in their database that you can download for FREE and use as model papers for learning.

SharkPapers.com

SharkPapers.com is a professional writing service that prides itself on delivering high-quality academic papers quickly and efficiently.

SharkPapers.com understands the importance of strict deadlines and ensures that all papers are delivered on time without compromising on quality. The service also provides additional benefits, such as 24/7 customer support, free revisions, and a money-back guarantee.

Most Liked By Students For: This site has become a popular choice for students who are in need of rush delivery for their academic papers. Students mostly have strict deadlines to meet and lack behind. In such cases, you can rely on SharkPapers.com to help you with an essay due within 6 hours even.

What We Didn't Like: Their overall rating is a bit low compared to other sites. Some students have reported quality issues with their essays.

How it Works: First, you need to fill out an order form on the website, providing details about your paper. These include the type of assignment, academic level, topic, deadline, and any specific instructions or requirements.

Once you submit the order form and make the payment, the service will assign a professional writer to work on your paper. You will be able to communicate with the writer directly throughout the writing process, providing additional instructions or feedback as needed.

As the writer completes the paper, it will undergo rigorous editing and quality control before being delivered to you by the deadline.

Pricing: Prices start at \$14 per page and are dependent on deadline, academic level, and length of your order - with 300 words per standard double-spaced Times New Roman 12pt page!

Best for Students Who: Have to Meet Tight Deadlines and Fast Delivery

Essay delivery within 6-12-24 hours upon request is the key feature of this service. However, they always deliver within the deadline promised and never agree upon a totally unrealistic deadline, like delivering a Ph.D. dissertation within 24 hours.

Common Questions About These Legit Paper Writing Websites

How Can I Choose the Best Essay Writing Service to Buy an Essay Online?

Here are some criteria that you should look for when selecting the best essay writing service:

- 1. Quality of Writing** – Make sure that the writer or team of professional writers have excellent academic writing skills. They should possess a solid understanding of grammar, punctuation, and syntax.
- 2. Turnaround Time** – Selecting an essay writing service that can deliver top-quality work in a timely fashion is essential, as missing deadlines could potentially cost you marks.
- 3. Price** – Whilst it's important not to sacrifice quality for the price, looking around for the best deal available is wise. Hire a college paper writer that fits your budget!
- 4. Reliability & Credibility** – Look at reviews from past clients when you decide to hire an essay writing service. As these reviews are usually reliable indicators of determining how reputable the services may be.
- 5. Follow-up Support** – Check if there's any after-service support available before deciding on buying essays online. Also, look out for customer support teams with helpful experts.

Are Essay Writing Services Legitimate and How?

Yes, some of these services are indeed legitimate. They provide an effective avenue for students who need assistance with their essay assignments and want to ensure that they get the best grade possible.

An essay writing service ensures legitimacy by complying with the highest academic integrity standards and honor code. A legit essay writer writes papers from scratch and without any plagiarism. These papers are to be used by students as examples rather than for exact submissions.

Moreover, these essay writing services ensure 100% privacy and confidentiality, and all users on the platform remain anonymous always!

What is the Cheapest Essay Writing Company Online?

If you're looking for the cheapest writing service to make a 'write my essay' request, FreeEssayWriter.net is your best option. All their services are extremely cost-effective, and they provide a ton of free tools like essay topics generator and plagiarism checker absolutely free.

Moreover, students can get their first essay written online totally free with a simple sign-up process at FreeEssayWriter.net. This offer makes it even more budget-friendly for students who need affordable yet top-notch college essay writing help.

Where Can I Hire College Paper to Write my Dissertation?

MyPerfectPaper.net is an essay writing service with highly qualified writers who specialize in writing dissertations and other academic papers.

The dissertation writers they have are experienced and educated in their fields, with postgraduate degrees and doctorates making up the majority of their team.

The dissertations they write are comprehensive and backed by a vast range of research material. This research is often provided by their own library resources, or through other reliable sources they have acquired over the years.

In addition, they possess impeccable grammar and spelling skills that produce well-crafted papers every time - ensuring that all work is free from plagiarism too!

Can I Order an Essay Online Without Getting Caught?

Yes, it is possible to order an essay online from an essay writing service without getting caught. However, there are certain steps you should take in order to ensure that no one finds out.

First and foremost, you should always use a secure essay writing service when placing your order. When selecting the website, make sure it has good privacy policies in place and offers secure payment methods such as PayPal or credit card payments.

Additionally, look for reviews from academics or students who have used the site before making your purchase decision.

Next, make sure that the writing service is able to provide customized essays tailored to your requirements rather than generic ones that everyone else can access. You want a unique paper so that no one can accuse you of plagiarism. You also don't want to have a paper that could be caught through an online tool like Turnitin or Copyscape.

Overall if done properly, ordering an essay online without getting caught is definitely possible.

What is the Best Alternative to an Essay Writing Service?

If you're looking for an alternative to traditional essay writing services, the best option is PerfectEssayWriter.ai.

This artificial intelligence (AI) writing tool helps students create high-quality, original writing without the hassle and cost of hiring a professional editor or writer. With its AI capabilities, PerfectEssayWriter.ai can generate content based on a single prompt. It writes using accurate

grammar and signposting features alongside powerful natural language generation technology to offer tailored insights into any topic given.

It also includes accurate research and references on topics where necessary in order to ensure that all essays are up to date with current knowledge. Furthermore, it guarantees that each document will be free from plagiarism so your work can stand out as unique among others.

So, if you are not in the mood to pay for a writing service, you can take help from this AI essay writer tool.
