London, UK | May 24, 2023 11:03 AM Eastern Daylight Time

Voyager Life PLC (AQSE:VOY) chief executive Nick Tulloch speaks to Proactive's Thomas Warner after releasing an operations update focused on the integration of the company's newly-acquired CBD extraction and manufacturing facility in Poland. Tulloch suggests that talks are ongoing for orders on a scale not previously achieved by Voyager Life - talks made possible by its newfound ability to deal with "international and multinational customers."
