London, UK | June 02, 2023 10:35 AM Eastern Daylight Time

Westminster Group PLC (AIM:WSG) chief executive Peter Fowler speaks to Thomas Warner from Proactive after releasing final results for calendar year 2022. Fowler says that following a tough pandemic, Westminster Group "delivered a strong recovery" during 2022 and has continued to build on that momentum into this year. He adds that "things are looking encouraging" in 2023 and provides more detail about the group's return to growth.
