

Winners, Inc. (WNRS) Reduces its Outstanding Shares by Over 50%

NEWS RELEASE BY WINNERS INC

LAS VEGAS, NV | March 09, 2023 08:54 AM Eastern Standard Time

McCapMediaWire - Winners, Inc. (OTC: **WNRS**) through its operating subsidiaries provides sports betting enthusiasts with high-quality content, analysis, research, data, and guidance for popular betting sports announced it has executed an agreement with ClickStream Corp. (OTC: **CLIS**) whereby Winners agreed to buy back 154,012,000 shares of Winners common stock owned by ClickStream for \$160,265.63. This transaction reduces Winners outstanding shares of common stock from 336,529,857 to 182,517,857.

Wayne Allyn Root, CEO of Winners Inc. stated: "When I started this company my number one mission was aggressive growth. Not only are we expanding our product line but we're also looking at potential acquisitions that fit our business model. We've only just started and the buyback of the ClickStream shares substantially reduces our outstanding shares of common stock, thereby enhancing shareholder value. I look forward to updating our progress in the weeks ahead."

VegasWinners is a licensed sports gambling affiliate that intends to drive traffic to gaming operators for commission. VegasWinners is currently licensed in several states and has made application in additional states. It is the intent of VegasWinners to get licensed in all states that allow online sports gambling. To date online sports gambling has been legalized in; Arizona, Colorado, Connecticut, Illinois, Indiana, Iowa, Kansas, Louisiana, Maryland, Massachusetts, Michigan, Mississippi, Nevada, New Jersey, New York, Ohio, Pennsylvania, Tennessee, Virginia, Washington DC, West Virginia, Wyoming & Ontario.

The global sports betting market accounted for USD 83.65 billion in 2022 and is expected to expand at a compound annual growth rate (CAGR) of 10.3% from 2023 to 2030 as reported by **Grand View Research**. The demand for sports betting is driven by factors such as the major shift in the regulatory landscape of the global gambling sector, the penetration of connected devices, and the developing digital infrastructure. The global sports sector has been greatly influenced by the COVID-19 pandemic due to restrictions on sporting activities across the globe. However, online sports betting gained

popularity during the pandemic due to an upsurge in eSports and similar forms of betting. In addition, increased usage of smartphones has led to the wide availability and accessibility of sports betting, consequently propelling the global market. For instance, according to a recent survey from Uplatform, a sports betting and casino operating platform, mobile devices accounted for about 70% of online betting revenue in 2020.
