

# Shelter-branded post-adoption app

Streamline routine follow-up and record requests  
& keep pets in homes with better prepared pet parents

## Expert Pet Care Content

Tailored content delivered at the right time  
to adopters, branded to your shelter

## Direct Connection

Seamlessly connected to PetPoint,  
Chameleon, Shelterluv & ShelterBuddy.  
*Other integrations underway!*

## Medical Record Sharing

Easy-access, medical record sharing from the  
shelter to the vet to ensure continuity of care

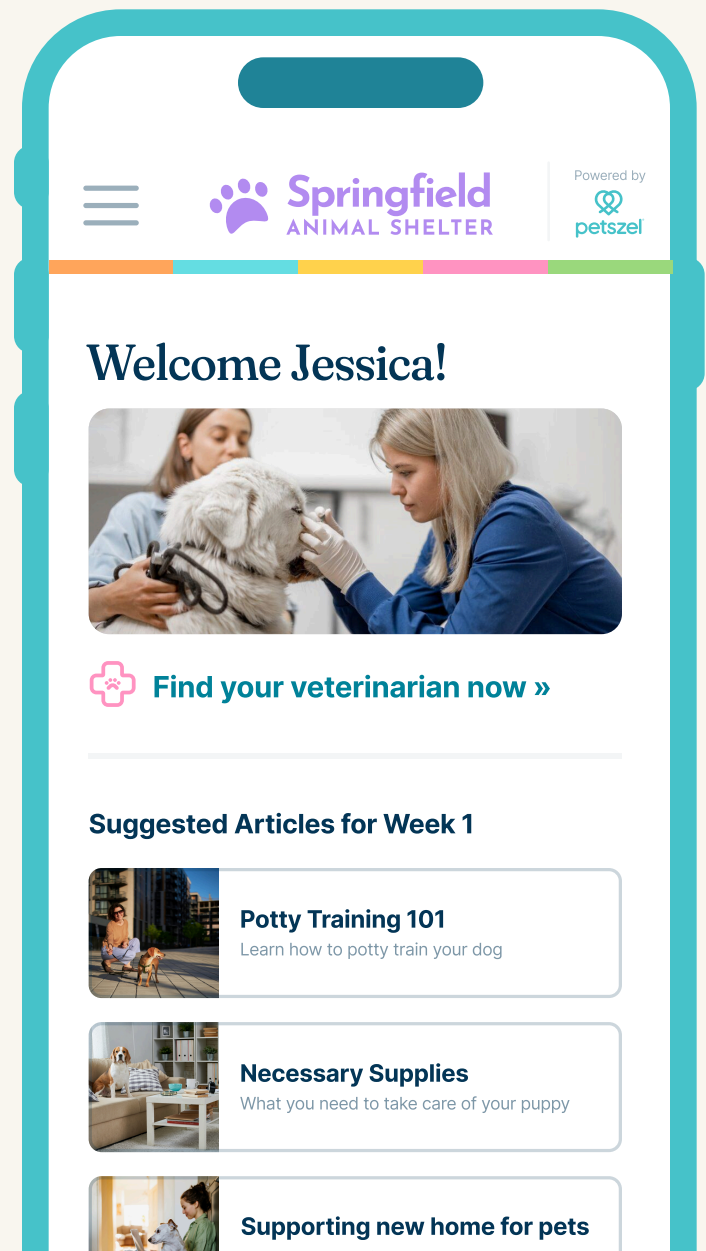

## Survey Check-Ins & Insights

Data dashboard that highlights trends across  
post-adoption experiences
