Free Resources

Nature Kits – [webpage](#)

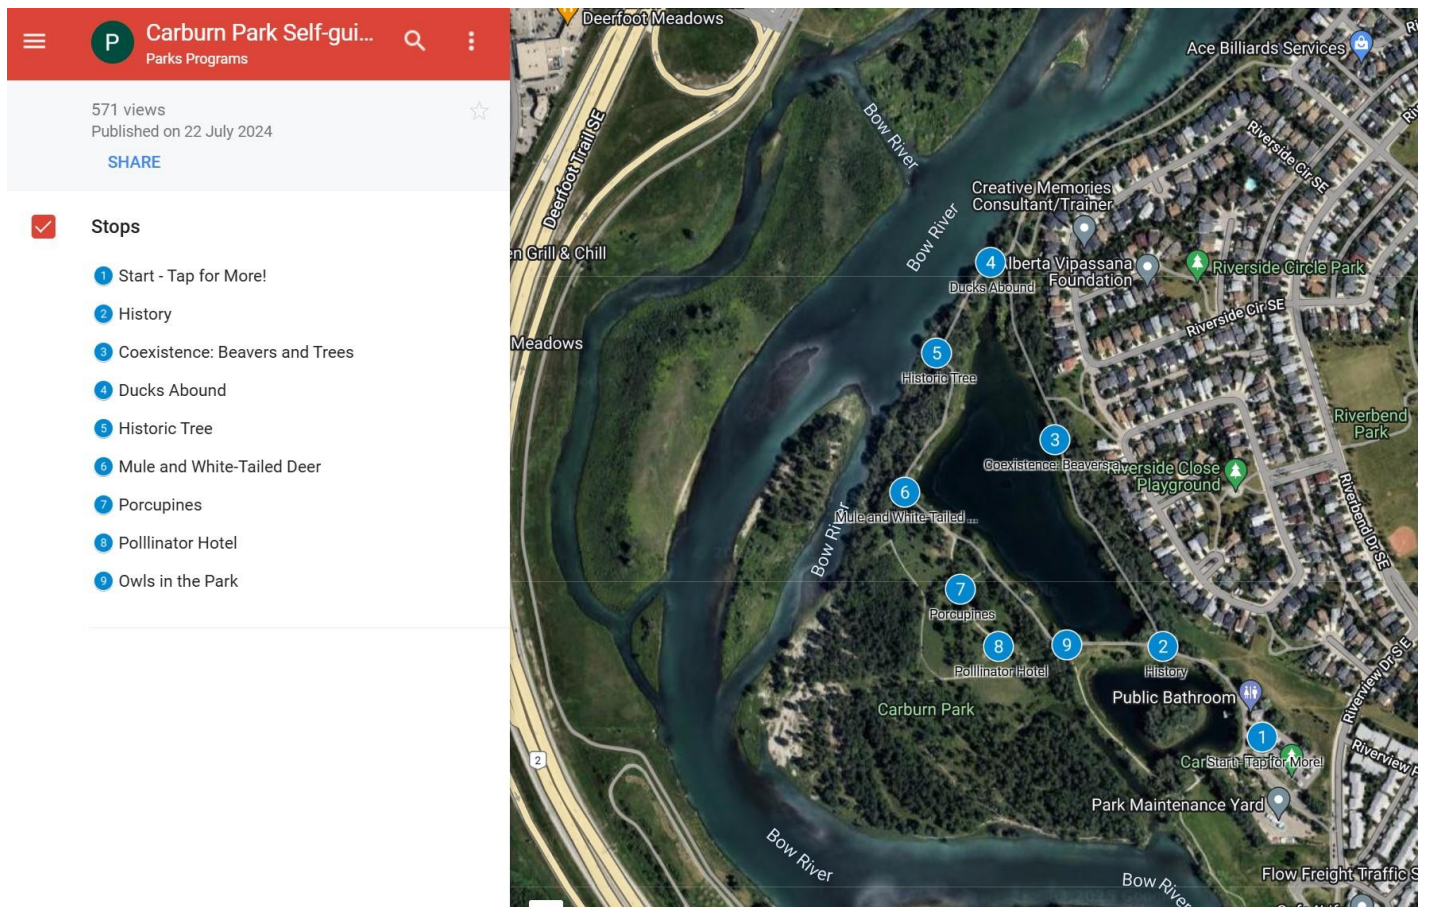

Nature Kits are available to rent for one week at no cost from the Inglewood Bird Sanctuary. These compact kits are packed with biofacts, photos, and ecosystem-specific information. Use them to explore the outdoors with your class or as a classroom resource to prepare students for an outdoor adventure. Visit our [webpage](#) for a list of available kits, and email ParksPrograms@calgary.ca to book.

Self-Guided Walking Tours – [webpage](#)

Explore Calgary's parks at your own pace with self-guided walking tours, available for 13 parks and growing! These map-based guides are packed with history, nature facts, and captivating stories about your local green spaces. These are a great starting point for educators to lead a class field trip to a City park. Visit our [webpage](#) for a full list of locations.
