

Spring Sports Information for Grades 7 and 8

OVERVIEW AND REGISTRATION INFORMATION

All boys and girls in Grades 7 and 8 may elect to participate on a Seven Hills Spring team. These teams compete within various organizations and must abide by rules set forth by the conference and the Ohio High School Athletic Association. If your child is interested in participating in a spring sport, please download and complete the Registration Form for Grades 7 and 8 and return it to the Middle School office no later than **Thursday, December 20th** (there is NO participation fee for 7th and 8th grade athletics). A registration FORM MUST be turned in to guarantee a spot on the roster, signing up solely on FinalForms does not count.

Space on a Seven Hills team cannot be guaranteed if registration is received after this date.

All students in Grades 7 and 8 participating on a Seven Hills team must have an Ohio High School Association Pre-Participation Physical form completed for the 2018-2019 school year on file in the Athletic office by the first day of practice. This form is available as a download with the registration form. If your child played a fall or winter sport, this form will be on file in the Athletic office.

If you are unsure whether you have submitted this form, please contact Amy Ilg in the Middle School Athletic office at 728-2440 or amy.ilg@7hills.org

PRACTICE AND GAME INFORMATION

Lacrosse: The teams practice or have games on most school days, and occasionally, the teams compete on the weekends. Team coaches will contact parents to inform them as to the exact dates and times of games and practices. Lacrosse practice begins on Monday, February 25th and games are scheduled to begin in early March.

Track: The track team practices will begin the week of March 4th. Most meets and practices will be held on weekdays, however an occasional Saturday is a possibility.

Softball & Baseball: The team practices will begin the week of March 4th. Most games and practices will be held on weekdays, however an occasional Saturday is a possibility.

PLEASE NOTE: The OHSAA dictates that if a student athlete plays on a school team, he/she may not play concurrently for any other team. For example, a student playing baseball for Seven Hills may not also play on a select team during the same season.
